

ILOCK LOCKER LOCK

LOCK FOR LOCKERS AND CABINETS WITH MIFARE PROXIMITY READER

COD 14401000

ILOCK LOCKER LOCK

Lock for lockers/cabinets with MIFARE proximity card, it makes its use much comfortable than regular lockers with keys.

Motorised function with reading range of up to 2 cm, powered with four LR6 batteries (included).

It operates with the DOC system (DORLET ON CARD). Different type

of configurations; such as free locker type (users can use any available locker), or by assigning each locker directly to a user.

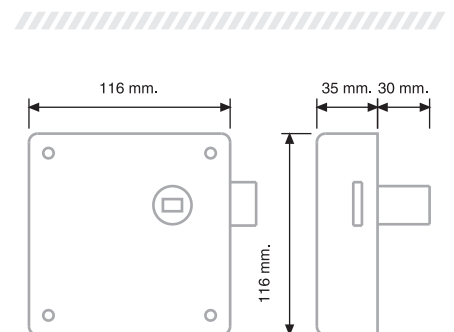

Its design allows its installation in practically any type of locker, because its fasteners and lock matches almost any mechanical lock on the market.

FEATURES

- Lock for lockers and cabinets, especially designed for hotels, leisure centres, gyms, corporate locker rooms, hospitals...
- Motorised opening system, open by approaching the card.
- Operate with LR6 batteries with autonomy for up to two years.
- Easy to install. The locks mooring points match practically any mechanical lock on the market.
- Stand-alone function with DOC (DORLET ON CARD) management.
- Multiple applications: the card is compatible and can be used for access control, time & attendance control, vending systems...
